At the Board of County Commissioners meeting on Feb. 4, 2025, Commissioner Powell presented a proclamation declaring Feb. 8, 2025 as Lion Order Gold Health and Wealth Symposium Day. Palm Beach County is committed to recognizing that its growth and strength depend on the health and wealth of residents and that community outreach can help citizens with health or financial challenges. Lion Order Gold, LLC helps to bring health and awareness to the community during its health and wealth and symposium. The purpose is to provide information to the public and to promote local and state collaborations to enhance the health and wealth of all members of our communities.
